WORK EXPERIENCE

UW School of Medicine and Public Health | Madison, WI

June 2023 – Present

Informatics Software Engineering Intern

- Develop automated solutions using Selenium Python in conjunction with PyYAML to streamline daily OnCore functions for clinical researchers.
- Implement pytest framework to validate YAML interpreter scripts, Selenium actions, and configuration files within the testing automation project.
- Utilize JavaScript and CSS to update documents within an internal knowledge base to match style and formatting specifications.

CVS Health | Madison, WI

Sept 2021 – Present

Store Manager in Training *May 2024 – Present*

Shift Supervisor *Sept 2021 – May 2024*

- Develop storewide strategies to prioritize and maintain customer-focused inventory replenishment behaviors.
- Conduct interviews to identify and select qualified candidates for front store and pharmacy technician positions across three locations.
- Effectively maintain weekly schedules, conduct payroll, and manage time-off requests for a workforce of 10-20 employees, ensuring well-organized and productive shifts.
- Supervise and train associates on company procedures, safety policies, customer service tactics, and more, ensuring seamless execution of daily operations.

LEADERSHIP & INVOLVEMENT

University Housing | UW-Madison

Aug 2024 – Present

Resident Assistant

- Work closely with two others to manage a floor of 137 residents, fostering an inclusive and supportive community through regular events.
- Respond to medical emergencies, resolve roommate conflicts, and handle mental health concerns.
- Collaborate with university departments to organize events that enhance residents' academic, social, and personal development.

Curling Club of UW-Madison | UW-Madison

Sept 2022 – Present

Founder and President

- Won 2024 College Curling Nationals in Rice Lake, WI.
- Lead groups of 15+ students in weekly curling practices, providing expert guidance, coaching, and facilitating skill development to enhance their proficiency in the sport.
- Create and manage a budget of over \$12,000/year to be spent on equipment, memberships, events, and travel.
- Coordinate events, including practices, beginner “learn-to-curl,” and competitions with other universities.
